

## QUARTERLY ISSUES/PROGRAM REPORT

October 1, 2008 – December 31, 2008

WRC-TV attempts to serve the public interest, convenience and necessity by presenting broadcast material that treats significant issues of the people in the communities served by WRC-TV station. WRC recognizes that it has an ongoing obligation to remain aware of such community issues and to exercise its best judgment as to what broadcast matter should be programmed to treat those needs and interests.

The following is a brief description of such community issues and some of the programs we believe have provided the most significant treatment of such issues during the period October 1, 2008 – December 31, 2008, including the title of such program, its time, type, source, date and duration of broadcast.
